## 330 Ballots Cast

### Fulton, Wolfe And Giles Elected To Town Council

Charles E. Fulton, John M. Wolfe (re-elected) and William M. Giles were elected to serve on Vulcan town council in last Wednesday's civic election, heading the list of six candidates.

Mr. Fulton and Mr. Giles will be serving on council for the first time and Mr. Wolfe was re-elected for his second term.

Votes cast totaled 330 out of a possible 912 eligible and there were 12 spoiled ballots. The voting went as follows:

C. E. Fulton	214
J. M. Wolfe	198
W. M. Giles	136
S. H. Joiner	114
N. B. Pettie	113
Albert Schmolke	88

Other members of the town council are Mayor C. G. Ness, who was elected by acclamation; J. V. Christensen, G. H. Richardson and B. W. Banks.

### Weather Knocks Grade

Blessed by dry weather most of this month, farmers have been able to pretty well complete the long-delayed harvest.

Loss in grade due to frost and the prolonged spell of wet weather in September has been disappointing but at least the crop is practically all now safely combined and binned in dry condition.

Analyzing the reports of 14 Alberta Wheat Pool agents at various county points this week, it appears that, in round figures, the spring wheat crop will grade about 3% No. 2, 20% No. 3, 45% No. 4 and 32% No. 5 or lower. And on a county-wide basis again, estimated yield figures average out at 28 bushels to the acre for spring wheat.

## Recreation Centre Bylaw Defeated

Vulcan ratepayers failed to approve By-law 479 when it was voted on Oct. 13. The by-law, under which the town would have had authority to borrow the sum of \$37,000 to be used for completion of the first phase of the projected recreation centre, failed to gain the required 66% majority. Voting for the by-law were 140 ratepayers, with 109 voting against it. The majority of 56% in favor of the by-law was short of the two-thirds majority required for approval of money by-laws. There were nine spoiled ballots. Total number of votes cast on the by-law was 238, just over half the 511 ratepayers eligible to vote. In failing to give approval to the proposed centennial project of a recreation centre, Vulcan ratepayers were of the same mind as ratepayers in Claresholm and Milk River, where money by-laws for similar projects were also turned down.

ALL IN VAIN? Happily posing for the camera are boys and girls with winning posters and banners in the kiddie parade Saturday afternoon, Oct. 9. Over 100 boys and girls marched through town declaring their support for the recreation centre. However some of

the ratepayers weren't looking, as the bylaw giving financial assistance to the Vulcan and District Recreation Society was turned down. Pictured above are, back row: George Andrews, Gale McLennan, Ted Findlay and Bradley Walker. Center row: Marjorie

Jones, Billy Bucholtz while kneeling are Pam Walker and Lyn Andrews. They say Pam Walker and Lyn Andrews devoted a week of spare time of their young lives to designing their banner, going into meticulous detail with every part,

while brothers Bradley Walker and George Andrews whipped their effort up in a short while. Which entry caught the fancy of the judges for first place? The boys' outfit, of course.

## 2/LT. HARVEY EAMOR

In recent graduation ceremonies at Camp Shilo, Man. Harvey Eamor of Vulcan was commissioned with the rank of 2nd Lieutenant. The ceremony was attended by his parents, Mr. and Mrs. Mel Eamor of Vulcan.

2/Lt. Eamor received his senior matriculation at the Vulcan high school. He was a member of the Vulcan Army Cadet Corps for five years and attended summer camp at Vernon, B.C. four times. He has been posted to Petawawa, Ont. as a training officer.

## Speaks On Work Amongst Lepers

On Sunday, October 17, a visit was paid to the Vulcan area by the Reverend Charles Smith of Edmonton. He represents those of Christ's servants who are carrying on their master's compassionate work amongst lepers today. He was sponsored by the Vulcan Ministerial association.

He spoke in the United, E.U.B., Pentecostal and Anglican Churches in the morning. He spoke in the Anglican Church in Carmangay during the afternoon when some of the United Church Christians of the community also joined in worship and heard his message. He returned to a worship service at the Peter Dawson Lodge in Vulcan where he was enthusiastically received.

The highlight of the day was a Joint Worship Service in the Church of Christ in Vulcan in the evening when some 110-120 people composed of the members of the congregations and ministers from the various Vulcan churches came to see a film about work that is being carried out amongst Lepers in India. Christians in the Vulcan area donated \$131 that day towards the work amongst Lepers.

## Reid Hill W.I. Joins County Groups In Program For Retarded Children

The regular meeting of Reid Hill W.I. was held Thursday, Oct. 14, at the home of Mrs. A. Sales. Mrs. John French, the president, was in the chair and conducted the meeting assisted by secretary, Mrs. Jack Marshall. The treasurer's report was given by Mrs. C. L. Kuykendall. The punctuality draw was won by Mrs. Carrie McIntyre.

Under correspondence read was a letter from the Unitarian Services of Canada telling of the great need for clean, used clothing, in many parts of the world. Members

were asked to turn in any such items that they had and a donation of \$10 was voted to this cause.

Information was received that the W.I. would no longer be required to send publicity reports to a convener, that in the future each branch would be responsible for its own publicity.

A letter was received from the Kirkcaldy W.I. branch asking the co-operation of Reid Hill in promoting interest and further enlighten adults in connection with the Opportunity classes, which may be made available in County schools, for retarded children. The branch was pleased to have as a visitor at this meeting Miss Janet Ware, who explained, as far as she was able, the need for a County teacher to instruct such children. Miss Ware cited many problems that are being encountered in promoting this work. The Reid Hill members were most interested and Miss Ware assured them that she would assist the branch if or when they could assist in this undertaking. She stressed the need for parents of such children be made aware of this plan and to be as informed as possible.

Roll call was answered with "What I am Most Thankful For" and proved quite interesting, most members being thankful that they live in Canada and can enjoy the Canadian way of life.

Committees were appointed for the bake-sale and novelty sale that Reid Hill are sponsoring Saturday, October 23, in the Legion hall.

## Wins Professional Title In Trap Shooting

A native of Vulcan, Ralph Buehler of Roxboro, Que. this fall won the professional title in the preliminary handicap event at the 66th annual Grand American Trap Shooting Tournament at Vandalia, Ohio.

The son of Mr. and Mrs. R. J. Buehler of Vulcan, Ralph is employed in the public relations department of Canadian Industries Limited, Montreal. He scored 95 out of 100 in the event. The Grand American trap shooting championships are considered the largest shoulder-to-shoulder annual sporting event in the world, with more than 2,500 competitors. They draw top shooters from all over the world.

## Show Of Champs At Vulcan Arena Saturday, Oct. 30

Plans were formulated Monday evening by the directors of the Vulcan and District Light Horse Association for the forthcoming Show of Champions to be held at the Vulcan arena on Saturday, October 30.

This event, previously cancelled due to inclement weather, was necessarily rescheduled to an indoor arena, this bringing the honor to Vulcan for the first time.

Top riders from 19 southern Alberta clubs will be competing for the Championship in each event which includes reining, trailer racing and junior equitation as well as the four major gymkhana events.

Archie Hay of the Arrowwood club was present to outline the necessary procedures in hosting a show of this calibre. The refreshment booth, to be set up in the Vulcan Curling rink, was discussed and the organization of work parties was also completed.

Marian Fisher reported the services for Vulcan Light Horse members are now available and should be worn with the white shirts for the Saturday event. They may be purchased at a nominal fee from secretary, Ruth Christensen.

The annual general meeting will be held on Saturday, November 20 when all interested are invited to attend.

## Nomination Day For County Is Sat., Nov. 6th

Nominations for four councillors of the County of Vulcan No. 2 will be received by Returning Officer C. H. Andrews at the County Office on Saturday, Nov. 6, between three and four p.m.

Councillors whose three-year terms of office expire this year are: A. W. Ulrich of Champion (Division Two), Robert S. Irwin of Brant (Division Four), Frank N. Thurber of Mossleigh (Division Ten) and Donald A. McNiven of Vulcan (Division Eleven).

## Short Of Needed Majority

### Other Financing Methods Now Sought By Society

About 20 members of the Vulcan and District Recreation Society gathered at a special meeting last Sunday night to determine the future of the group's project in the light of the ratepayers' rejection of bylaw 479.

Fear of increased taxation was felt to be the major factor involved with the bylaw's defeat. Others voted not because the community recreation centre was being built before installation of artificial ice while many still had harboured thoughts that a cocktail bar was to be included in the plans, that it would be for adults only and that the whole scheme was after the style of exclusive city clubs where families make use of the premises by membership only.

Following long discussion it was felt that although the two-thirds majority was not gained — it was short by 11 votes — the group should not be defeated because of these few votes and in addition they felt there is too much time and money invested to back out now.

One alternative proposal of installing artificial ice in the old arena was rejected in view of the fact that most of the money so far raised has been gathered with the promise that the recreation centre would be built first and the artificial ice would be next step. In the meantime the ice area of the new structure could be flooded with a natural ice surface.

To continue with the recreation project still requires the loan of \$40,000. This would now be made through a bank. In addition to the

assets of the society, two methods of helping to guarantee security for the loan were suggested and approved. The first was to raffle a quarter section of land in the Vulcan district with tickets being distributed throughout the province. Negotiations are already under way for the land with the owner. Another method follows the pattern used in another town which involves a one dollar per month levy on water meters in town. With about 420 meters in town this would bring revenue of about \$5,000 per year. It was felt this plan would distribute the burden of helping to finance the project on a more equitable scale and ease the minds of those objecting to any possible tax increase through this project.

On Monday night of this week a delegation made up of society president Pat Walker, Bill Richardson, Dave Mitchell, Boyd McKay, Leonard Voisey and Peter Pickersgill, attended the town council meeting and described these new plans to council. A request was made that council still consider this as the town's centennial project and agree to make such application, give the centennial grant to the society and give assurance of winter works assistance.

Following departure of the delegation the issue was hotly contested for some time by the new council. In a final unanimous vote the application for the project as Vulcan district's centennial project was approved and the town will apply winter works assistance to it.

## Baseball Pool Winners Share \$870 Prize Money

Thirty-eight winners split a total of \$870 prize money in the World Series baseball pool sponsored by the Vulcan Lionettes. The series went the seven-game limit and the pay-out was on 10 cards.

Proceeds from this annual project of the Lionettes are used to finance the annual Senior Citizen's banquet, which this year will be held Wednesday, Oct. 27.

The baseball pool winners are listed below:

- Game 1— Merle Smith \$10; Dave Gray \$10; Clayton MacMillan \$10; C. E. Priebe \$10; M. A. Jesse \$30; R. Bagozzi \$30; Howard Burrell \$30; David Mitchell \$30; Elsie Thompson \$10; Gordon Brown \$10.
- Game 2— Del McQueen \$50; Chauncey Layman \$10; Harold Bride \$10; Clara Love \$20.
- Game 3— Vera Findlay \$30; Mel Jordan \$10; Vera Mitchell \$10; Gordon Clayton \$40.
- Game 4— Mrs. Tom Lucas \$10; Cliff McAskle \$10; Jerry Steiner \$20; Vivien Symes \$20; Shirley Wolfe \$20; Mae Spaeth \$20; P. Thachik \$20; Max Jesse \$20; Dick Hamper \$20; Ivan Haga \$20.
- Game 5— Win Lethby \$20; C. R. King \$10; Allan Deal \$30; Kay McKay \$30.
- Game 6— Bert Larsen \$30; Mel Jordan \$20; Gladys Munro \$10; J. D. Mitchell \$30.
- Final Game— Martin Gottenberg \$75; Johnny Quon \$75.

THEM'S GEESE. The area surrounding the lake country east and south of Vulcan is reportedly harboring thousands of geese again this year and tangible evidence of this is shown above. Gathered behind 12 Canada Geese which fell to their guns the morning of Oct. 9 are, left to right, Doug Silverberg, Glen Gorbous, Corporal Pete Thachik and Constable Harold Purdy. This scene has been repeated

ed by many groups this fall and this shoot, was south-east of Champion in a field which had been spotted and made ready previously with pits and cover. Average weight of these birds was from 10 to 11.3 pounds except for one which was only seven pounds. Four different stories concerning responsibility for the seven-pound hunt have been given. In that Keith Alexander is not here to

defend himself, allegations about him made by others may be worth considering. They say this being his first goose hunt and being on the road all night Keith was only worrying the geese with his shotgun so, being one of Canada's top amateur golfers, he out of the pit with his number nine iron and whopped this one to death.

## CPR Station Closes Nov. 12

Word has been received that the CPR station at Vulcan, along with others on this line will close for business at 5:00 p.m. on Friday, Nov. 12, and that after that date all inquiries regarding passenger service or freight shipments must be directed to Lethbridge by way of a Zenith (free) long distance number.

Vulcan, it is reported, is the one point between Calgary and Lethbridge that will still be served by the CPR's own merchandise (express) trucks and it is expected that a merchandise services representative will be appointed here. At other points on the line, CPR merchandise business will presumably be handled by private trucking-firms.

A "travelling agent" is to be headquartered at Vulcan to handle business on this line that cannot be transacted by telephone. Another travelling agent will work out of Claresholm and three out of Lethbridge. Announcements regarding these matters will likely be made by the CPR before the November 12 station closing date.

## WARBLE AND LICE CONTROL IN CATTLE

Cattle spraying time is here again. In the past this meant high pressure sprayers and expensive chutes in which to treat the cattle. To those who have this equipment, usually the larger operator, this is still an efficient and effective method. For the smaller producer, however, the building of adequate chutes and the purchase of a high price sprayer is not economical.

Ruelene 25E pour-on treatment is the answer to the smaller producer although it is also being used by many growers with larger herds of cattle. Ruelene 25E pour-on can be applied simply by pouring the required mixture over the backs of infested cattle. No elaborate chutes are required and no high pressure sprayer is needed.

Ruelene 25E is mixed with water in the proportion of three parts of water to one part of Ruelene. This mixture is applied to infested livestock at the rate of one pint of mixture to each 100 pounds of body weight of the animal to be treated. It will cost about 37 cents to treat a 600-pound animal.

Ruelene 25E controls warble grubs and lice. The recommended time of treatment is October and November before the grubs migrate into the animal's body. Ruelene 25E, of course, can be used also in high pressure sprayers where this equipment is available.

Co-Ral is another very popular warble control which has been used widely in Western Canada in recent years. Co-Ral is used only with high pressure sprayer equipment. The cost per animal when using Co-Ral varies from 30 cents to 90 cents per head depending on the size of the animal, the thickness of the hair covering, etc.

Treating cattle for warbles and lice has proven to be a very profitable investment for the livestock producer. Both pests reduce the animal's ability to make profitable gains in the feed lot and greatly reduces the value of the hides. Treat your cattle this fall to control warbles and lice, it will pay dividends.

Be sure to read the label on the container carefully. It describes proper methods of application and gives the precautions to observe when using these chemicals.

The County of Vulcan Agricultural Service Board has a high pressure sprayer which is available to farmers in the county to spray their cattle for warbles and lice. Arrangements for this sprayer can be made at the Service Board Office in the county office building.

## 'Place A Book In The Hands Of Your Child' Is Slogan

Five-year-old Colleen Smith is a lucky child. She has a book and she loves it. So?

Too many children live in homes where books are not considered

important; some with no books at all. The result can be utterly tragic in terms of unfulfilled minds, school dropouts, human failures.

This month Canada's vast Home and School movement launches a \$50,000 public information campaign to combat the problem. The objective: To reach every parent over the next two years with urgent messages about the profound importance of books in the growth of their children.

It's just one part of a Centennial project made possible with donations pledged by the greater number of Canada's 3800 local Home and School Associations; donations from outside groups and individuals have been received and are most welcome.

The appealing photograph of Colleen Smith is one visual symbol of the campaign. You'll see it often together with the slogan: Place a Book in the Hands of Your Child. If you watch TV, that is, or read the papers, or look at billboards... or listen to the radio. All media, including bus cards and store window posters, will be employed to give new life to an old truth, children need books in order to grow.

To top it all, a parent's guide to children's reading has been printed in the form of a bright, illustrated pamphlet which gives expert and practical advice on such subjects as: Helpful Hints for a Home Bookshelf; The Importance of Reading Aloud; The Fun of Poetry; Your Child and the Library; Let's Look It Up. Experienced librarians collaborated on one section: 50 Books No Child Should Miss.

Some parents are bound to ask: Will this promotion recommend

the actual teaching of reading at home?

"Not at all," says A. J. Sands, national president of the Home and School Federation. "Leave that to the school. But you just can't sit back and expect your child to arrive at a love for reading if school books are the only books he knows. By the time the school gets around to showing him the great classics, chances are it is too late; his imagination has died."

"You are the key," concludes Mr. Sands. "Right from playpen days you can encourage your child's natural interest in books and guide and share and stimulate his growth in reading. It's one of the very best ways you can help him grow and develop into a mature, thinking person."

"And teachers can always tell when a child comes to school enjoying books. He expects to get

continued pleasure from the printed page and is eager to hear new stories, new words and to get on with the business of learning to read for himself."

the man,  
the boy  
and the donkey

"A man and his son were driving a donkey to market. Presently they met a party of travellers who laughed at them, saying, 'How stupid to walk when they have the donkey!' So the man put his son up on the donkey. The next party of people they met said, 'What a selfish boy, riding while his poor tired old father walks!' The man and the boy changed places and went on until they met more people, who said, 'What a cruel man, to let his little boy walk while he rides!' So the man picked up his son and they both rode. But still the passers-by were not satisfied. 'Poor exhausted beast,' they said, 'that strong boy and his father could well carry it instead of riding it.' So the man and his son ended up carrying the heavy donkey, and their progress was so slow that they were too late for the market."

Which just goes to prove that you cannot please everybody at the same time, and when you have a good way of doing things you will be wise to stick to it.

Alberta, for example, has a good way of doing something very important. Nearly eighteen years ago, M.S.I. was instituted by Alberta doctors to meet the special needs of Albertans. Since that time, M.S.I. has steadily increased its benefits and reduced its administration costs.

With the services provided by existing medical insurance programs (of which M.S.I. is by far the largest) and with the existing Alberta Medical Plan, plus the assistance of the Welfare Department in certain special cases, all Albertans, regardless of their financial status, can now get needed medical care.

**M.S.I. is the best and cheapest medical care coverage.**

NOW**

Plan now to get all those jobs done this winter. Things like having the lawnmower fixed, and the screens mended; having the car tuned up and outboard motor checked; having the drapes cleaned and the rugs shampooed; having the furniture re-upholstered and the electrical appliances repaired; hav-

ing all those repair and renovation jobs done which can call for a long wait come Spring, but which can be handled quickly, efficiently and easily during the winter season. Ask your bank about a low-interest NHA Home Improvement Loan. Plan ahead. Be a Winter-planner now.

**IT WON'T HAPPEN TO US!**  
In the newspapers, on television and radio, news of death by fire reaches you almost every day.

To most of us, these news announcements seem remote. It won't happen to us! But is your home really fire safe? Too often fire hazards aren't thought of until fire breaks out, by then it is too late.

Most home fires are caused by a few well-known hazards which can be easily eliminated by following the ABC's of good housekeeping — ALWAYS BE CAREFUL.

National Fire Prevention Week is a good time to check Fire Hazards in your home:

- TV antenna not to be attached to chimney.
- No flue lining in chimney.
- Flue hole covered, not bricked in.
- Soot in chimney.
- Sagging, defective smoke pipes.
- Rubbish in attic.
- Hazardous location of electrical heater.
- Wax-soaked mop and rags in cupboard.
- Curtains blowing over stove.
- Matches within reach of children.
- Sweepings in register.
- Electric wires under rug.
- Walls without fire stops.
- Fireplace not insulated, no fire screen.
- Improper electric fuses.
- Improper use of electrical extension cords.
- Furnace pipes too close to combustible joists.
- Flammable liquids and gasoline appliances stored in home.
- Thawing water pipe with open flame.
- Rubbish in cellar.

A GENERAL MOTORS VALUE

This is the Oldsmobile Toronado  
and you've never, ever, seen anything, anywhere,  
nearly as new-honestly!

Cutlass Holiday Coupe

These are some of the other  
new Oldsmobiles for 1966  
...they're luxurious,  
elegant, exciting,  
powerful, appealing.  
And all those things.

Dynamic 88 Holiday Coupe

They're new. You don't know them yet. But they bring you the best possible references. They're all Oldsmobiles. Which is to say that they're extra-special. Extra-powerful, extra-luxurious, extra-smooth. Improved Rocket engines, teamed with smooth Turbo Hydra-Matic transmissions, are available on all full-sized Oldsmobiles. They offer you new interiors, new style seats and carpeting. And you can get familiar Olds luxuries like air conditioning or totally new features like Automatic Level Control that lets you load 550 pounds of load into the trunk and still ride the way you did empty.

Including, and this is a real revolution, if we do say so ourselves, including today's only full-size, front-wheel-drive car. The Toronado. There's never, ever, been one like the Toronado. A 425-cubic-inch Toronado engine pours the power through a re-designed Turbo

Hydra-Matic Drive, right to the front wheels. Toronado performs and steers and holds the road like nothing you ever tried before. It's an Oldsmobile. You'll pick out the family likeness right away. We hope you'll take the time to come in and see the new Oldsmobiles, soon.

They're very nice cars and very, very new.

## Bride-elect Is Guest Of Honor

A bridal shower in honor of Lynne Richardson was held recently at the home of Laura Fulton. The room was gaily decorated with pink and white streamers.

After two amusing contests, a corsage was pinned on the bride-elect. A basket of useful gifts were presented to the guest of honor by Laura.

Lynne graciously thanked everyone and invited them to her home. A tasty lunch was served by the hostess, assisted by Shirley Markert.

## C.W.L. Appoints Mission Convener

Activities were resumed for the members of the Vulcan C.W.L. at the October meeting held at the home of Mrs. E. Douville. Director Rev. Father Marlen led the League Prayer for the nine members present.

News letters from the Diocesan President were read, including a request for the appointment of a Mission Convener from each council. Mrs. E. Douville agreed to head the new Convener. Mrs. E. Zilke presented an informative paper on Communism. Tentative plans were made for a bake sale in November and a raffle on a Christmas hamper.

### YOUNG DRIVERS

Seven per cent of all drivers in Canada are under 20 years of age but they are involved in 14.6 of all car accidents. They drive fewer miles but their accident rate is almost twice that of other drivers, which explains why the insurance rates for males under 25 for collision and liabilities are two or three times as high for other drivers.

## 4-H Club Notes

### Mossleigh Clothing Club—

The second meeting of the Mossleigh Clothing Club was held in the community hall on Oct. 12, with 14 members in attendance. Ruth Jones lead the pledge. For roll call each member gave a suggestion and whether or not she wanted handiwork to be compulsory. Later it was decided they would be this year.

The 4-H girls will be catering to the trap shoot on Oct. 24, at the Mossleigh Gun Club. Mrs. Campbell then presented Kathy McNeven with her T. Eaton award. An interesting talk was given by Kathy on club week at Olds.

A lunch was served by Ruth Jones. The next meeting will be a work meeting on Oct. 29, during teacher's institute.

## Hear Talk On Farmstead Plans

Mrs. Bruce White was hostess to 11 ladies for the October meeting of the Good Deeds W.I.

Prior to the business meeting, Clarence Roth, District Agriculturalist showed slides and gave a very informative talk on Farmstead Planning with regards to shelter-belts and the planning of the farm home grounds. He then answered the ladies' questions concerning shrubs and trees and handed out several useful pamphlets.

Mrs. George Dingwall presided at the business meeting. Roll call was answered with an item for the food hamper to be raffled at the bake sale later this month. The short business meeting was followed by lunch served by the hostess with the assistance of Mrs. Norman Whitehead and Mrs. Harry McMasters.

a shotgun with so little recoil  
you have to shoot it to believe it.

We're offering this amazing trial-plan simply because the Remington 1100 is an amazing shotgun. It actually has up to 50% less recoil than any other automatic. Combine this with perfect balance and feel, and the Remington 1100 makes any shooter a better shot. It can turn those misses into hits and those duds into dummies. Come in and borrow a trial gun for a couple of days. Shoot it yourself and we're sure you're going to want this shotgun more than any other you've ever tried. Visit us and pick up your trial Remington 1100 soon.

### MAJORVILLE

Terry Heather was hostess Thursday for a birthday party for her brother Warren with six of his friends helping him celebrate his sixth birthday.

Mr. and Mrs. Bob Kunkle and Danny of Lomond spent several days last week helping with harvesting at the Bill Beckner farm.

Mr. and Mrs. Harvey Godkin and family were Calgary visitors on Saturday.

Friends were sorry to hear that Mrs. Leonard Vocys was a patient in the Bassano Hospital last week.

Mr. and Mrs. Vern Maldaner and family visited the Chester Thompson family over the weekend.

Harvesting in the district has been pretty well completed this week and farmers were grateful that the good weather prevailed for the annual cattle round-up at the community pasture on the weekend.

Mr. and Mrs. Jerry Mitchell and Mrs. Ingerham of Calgary were dinner guests of Mrs. Jessie Umscheid on Sunday.

Mrs. George Heather and Brenda Heather visited the Alan Chamber's family one day last week. Bradley Chambers is spending the week with his grandmother.

Mr. and Mrs. George Heather enjoyed a visit from daughters Harriet and May and their families on Sunday and Mrs. Heathers brother Henning Rattson.

Mr. and Mrs. Russell Mills of Calgary have spent the past two weeks helping with harvesting operations on the farm.

### ALCW. ELECT OFFICERS

The local ALCW meeting was held Wednesday at the home of Mrs. George Heather with 10 members present. Mrs. Bill Deitz led the Bible study. The executive reported that another box of clothing has been sent to Lutheran World Relief.

Plans were finalized for a harvest sale and tea to be held October 30.

The election of officers was held with Mrs. Gilbert Vooyos elected as president; Mrs. Bruce Henry, vice-president; Mrs. Artie Nelson, secretary; Mrs. David Deitz, treasurer; Mrs. Bob Deitz, stewardship secretary; Mrs. George Heather, education secretary.

Following adjournment the hostess served a delicious lunch assisted by Mrs. John Bartsch. The next meeting will start at 2 p.m. at the home of Mrs. Gilbert Vooyos.

### CARMANGAY

(Too Late For Last Week)  
Recent visitors at the home of Mr. and Mrs. L. J. Bach were Mr. and Mrs. J. Gourlay of Calgary. Also visiting the Bach's last Monday was Rev. Father Lowing of Calgary.

Mr. and Mrs. Andy Scott are the proud parents of a son, Mark Andrew, who was born in a Lethbridge hospital on Sept. 29.

In addition to immediate family overnight guests at the Syd Thompson home last Saturday night were Mr. and Mrs. Ralph Westgate of Kimberley and Herb Liddell of Calgary. While here they attended the Wright-Bentley nuptials.

Mr. and Mrs. David McIntyre and son returned to Wetaskiwin on Sunday after Mrs. McIntyre

and son spent the week here with Mr. and Mrs. W. E. McIntyre.

Mr. and Mrs. Gary White of Calgary spent Thanksgiving here with the Bill White family. On Sunday they all attended a dinner at the home of Mr. and Mrs. Ben White in Lethbridge.

To further mark Oct. 9 as a red letter day Syd Thompson of Carmangay held a 29 hand in crib while playing with his daughter. This is the first such hand for Mr. Thompson in over 50 years of playing crib.

Mr. and Mrs. Eric Collier, Mrs.

T. Svanes, Mr. and Mrs. Arne Dahl and Arlene were guests at the Burbank-Rutledge wedding reception held at the Lethbridge Stake Centre Saturday evening, Oct. 9. Mr. and Mrs. D. Burbank of Lethbridge were Thanksgiving Day visitors at the E. Collier home.

### WRIGHT -- BENTLEY

The United Church at Carmangay was the scene of the wedding of Norma-Joy Bentley and James Fredrick Wright at 3:00 p.m. October 9.

Artificial flower arrangements decorated the church when Rev. Fyke officiated at the wedding. The bride is the daughter of Mrs. H. Joy Bentley now of Cranbrook and the late Norman S. Bentley of Trail. The groom is the son of the late Mr. and Mrs. Fredrick James Wright of Calgary.

Miss Patti Bentley of Cranbrook played the wedding music.

Given in marriage by her brother, Gordon Bentley the bride was gown in a floor-length white cut velvet gown with lily-point sleeves which was made by her grandmother, Mrs. Syd Thompson. She carried a bouquet of yellow sweetheart roses and white stephanotis.

Miss Beverly Mac Murray as bridesmaid wore a frosted green taffeta gown with a matching band of the same on her head. Her bouquet was white carnations.

Best man was Kenneth Butler of Calgary a long time friend of the groom. Ushering the guests to the pews was Don Bentley, Jr., of Cranbrook.

At the reception held in the church hall, Don Bentley, Sr., of for us.

Cranbrook acted as master of ceremonies. Miss Vicky Bentley was in charge of the bride's book.

Guests attended from Calgary, Cranbrook, Kimberley and Carmangay.

For travelling to California the bride changed to a pale green boucle cape suit with black accessories and pink carnation corsage. Mr. and Mrs. Wright will reside in Calgary.

Two Irishmen, newly arrived in Canada, had camped out in the north woods and were attacked in their bed rolls by mosquitoes. They turned out the light and pulled the blankets up but then Mike peeped out just as a firefly flitted in. "It's no use, Pat," he moaned. "They've come back with lanterns looking for us."

## No Bulk (But Plenty Warm)

Penmans does the job—comfortably. Knocks the chill right out of the air, yet doesn't strangle you in a hard-to-move-in suit. The reason? Penmans are tailored to help you on the job; cut generously, where they should be; made snug, where they should be.

They keep you warm without bulk because they are knitted of three materials: pure white merino wools... soft, absorbent cottons... and Corval®... warmer together than they would be separately.

Penmans are so comfortable only their warmth reminds you that you are wearing underwear.

There's a Penmans Underwear to suit every type of job and every pocketbook: Penmans 95 - The Aristocrat of Winter Underwear. Penmans 71 - Distinctively Canadian. Penmans 73 - White Merino. Penmans 1575 - Orlon and Wool Thermal. Penmans 2003 - Cotton Thermal. Penmans 27 - Fleece.

## UNITED CHURCH EXPLORERS

The organizational meeting of Milo United Church Explorers was held in the church auditorium this past week under the leadership of Mrs. Byrla Armstrong. There are 10 girls in Explorers this term. Senior girls are Shannon Armstrong, Alayne Sinclair, Susan Healy and Cathleen Fluter. Norma Rushfeldt and Dalcy Silbernagel are working for their blue stars and Darbra Armstrong, Maxine Marshall and Sharon Gorzitza are working for their red stars.

The election of officers for this term was held with the following being elected: President, Alayne Sinclair; secretary, Norma Rushfeldt; treasurer, Shannon Armstrong; publicity, Cathleen Fluter.

The girls held a bottle drive on Saturday and would like to thank all those who contributed. The monies gained from this project will be used towards Explorer projects during the year. The Explorers are making plant holders to sell at the fall bazaar.

## CIVIL SERVICE

Budget estimate for the federal civil service payroll for the year ending March 31, 1966, was \$983,414,057; the payroll for Crown Corporations is additional to this total.

# Who benefits from AGT's expanded communications program?

You do . . . as one of a half-million Albertans linked with the AGT system who demand, and get the finest service at rates among the lowest in the nation. You do . . . as a citizen of Alberta, because AGT's record-breaking expansion program is giving a boost to Alberta's economy. But specifically . . . what are some of the benefits you receive as a telephone subscriber?

## DIRECT DISTANCE DIALING

By the end of 1965 AGT will have provided fast, convenient Direct Distance Dialing to 65 Alberta communities.

## MORE DEPENDABLE, FASTER TELEPHONE SERVICE

This year a further 39 exchanges will be converted to dial telephones to speed service and improve efficiency.

## INSTALLATION OF UNDERGROUND CABLES

During 1965 your telephone company will place 8,000 miles of cable underground — out of the elements and out of trouble.

## ADDITIONAL MICROWAVE SERVICE

To handle the ever-growing number of long distance calls AGT will spend \$4,000,000 in micro-wave construction in 1965.

Since 1945 AGT has invested over \$200 million in new and improved services. These construction dollars pouring into Alberta's economy mean more telephone jobs and more jobs for supporting industries. They contribute to the prosperity of Alberta and of every community AGT serves. Because of this continuing policy of expansion and improvement, the value of your telephone service has never been greater.

**REUNION OF****ROYAL PURPLE LODGE**

Champion ladies were hostesses at a reunion of the Royal Purple Lodge No. 33 at the home of Mrs. Oscar Hagg recently.

Although this lodge had surrendered the Charter in 1946, the members at several intervals have had reunions; this recent one was the largest and of the 19 members 15 were present.

A short history of the early lodge was read and revealed five charter members present, including several PHRL. A list of the departed members was read and they were honored by a moment of silence.

Roll call was answered by the following: Mrs. Merle Sletto, Bothell, Wash.; Mrs. Elizabeth Ditto, Calgary; Mrs. Dewilla Anderson, Calgary; Mrs. Anne Freeze, Calgary; Mrs. Dorothy Campbell, Lethbridge; Mrs. Anna Hagg, Vulcan; Mrs. Margaret Carlson, Mrs. Vinnie Carlson, Mrs. Alma Hagg, Mrs. Ivah Smith, Mrs. Faye Sletto, Mrs. Opal Orcutt, Mrs. Grace Harper, Mrs. Dorothy Caldwell and Mrs. Bess Siler, all of Champion.

A delicious lunch was served and a very pleasant afternoon was spent in visiting and reminiscing.

**HOME & SCHOOL ASSOCIATION**

There was a very good attendance of interested parents and students at the Oct. 18 meeting.

The memberships are due: \$1 for each person or \$150 for parents. There is a membership of

40 paid-up members already. The publications convener, Mrs. Charles Anderson gave some information on school publications and stated the "Quest," National Home and School magazine will be sent for \$1.00 a year for five copies to anyone interested.

Mrs. Jim Carlson gave a resume of the Nov. 15 Home and School program. It will be informative talks on benefits of an opportunity class in the Vulcan County.

Mrs. Carlson then introduced the program of Marie Caldwell, Jim Rupp, Dennis Burton, Michael Holm and Bernice Hummel Don Green, students and chaperone of the group attending the Churchill Centennial Tour and hosts of the Hamilton tour.

The students gave a very informative report and slides were very much enjoyed. Mr. Greene gave a wonderful tribute to the parents on the best behavior of the Vulcan County students, and stated he hoped this was just the beginning of these wonderful tours and encouraged many more in the years to come. A hearty thanks and applause was given to the program students and Mr. Green. Mrs. Carlson said she thought it was the best purpose the taxpayers' money was used for, for a long time.

A delicious lunch was served by Mrs. Dick Brown, Mrs. Bob Williams and Mrs. George Ellis. The room prize of \$5.00 went to the Grade 7 room for September and October.

### BIRTHDAY CLUB

The Birthday Club met at the home of Mrs. Velma Booth on Oct. 14. Eight members and one visitor were present to join in singing the opening song. There's a Gold Mine in the Sky. The roll call was answered by What I am Thankful For.

A discussion regarding the winter's entertainment took place. It was decided that little could be done before the repair work was completed on the school. Plans were made for a raffle, bake sale and bingo party to be held later in November. Each member was to bring a bingo prize to the next meeting valued from 10c to 25c.

Mrs. Lena Huff, an honorary member, was the only birthday recipient for October and her gift was sent to her in Calgary. Thank-you letters were read from Mrs. Elmer Hamm and from Henry Crawford.

The raffle was won by Mrs. Nancy Lomas, who the club welcomed as a member again. The closing song was, My Bonnie Lies Over the Ocean, sung to the accompaniment of Mrs. Velma Booth on the organ.

An entertaining half hour was spent in stunts, songs and stories. The hostess and aides served a most delicious lunch to conclude a pleasant afternoon.

### BLACKIE

Late Saturday night the back door of the Hub Store in Blackie was forced by thieves. Due to the prompt action of the proprietor L. A. Yeomans, local residents, the High River RCMP and their dog, the thieves were soon apprehended. This is the second time in six months that thieves have been caught in an attempt to rob the Hub Store.

Congratulations are extended to Jack Kumlin who received a \$400 Queen Elizabeth Scholarship. Jack is entered in the Faculty of Science at the University of Alberta, Edmonton.

## THE 1966 GMCs ARE HERE!

with NEW Toro-Flow Diesel Engines!  
NEW V6 Gasoline Engines!  
NEW 92" Cab! NEW models!

GMC Handi-Van

### NEW TORO-FLOW 4-CYCLE DIESEL ENGINES

Now diesel operational savings and long life are available for medium-duty applications. Toro-Flows give up to double the fuel mileage of similar gas-powered equipment, without the high initial cost usually associated with diesels.

### NEW GASOLINE ENGINES

For 1966, a new in-line 6, a new V8 and 4 new V6 gasoline engines join the GMC line-up. Compact V6 block with short-stroke oversquare design cuts friction and heat loss to a minimum.

GMC 105" cab

### NEW 92" CONVENTIONAL CAB

Handsomely styled, GMC's new 92" BBC conventional cab features lap joints for great strength, reduction of moisture-holding nooks and crannies. Separate fender, hood, grille and side panels allow single-panel replacement or repair.

### NEW MODELS

GMC's range of new engines, transmissions and differentials, and the new 92" conventional cab bring the total to 397 GMC models available for '66. GMC has been setting truck standards in Canada for close to thirty years. With this wider model line-up, GMC is an even better buy, in '66.
